Hi Tammy,

Thank you again for sending us the list of clients your firm has retained in connection with the Gold King Mine incident. I am going through the list and updating our files, and I have a few questions.

1. We have no record of ever having received a claim for (b) (6) (page 1). Do you have a copy of the claim that may have been submitted, including a record of its submission?
2. The list says "Jacqueline Begay" twice. According to our files, Frank D. Azar represented two different women with the same name but different middle initials – Jacqueline S. Begay (DOB (b) (6)), and Jacqueline L. Begay (DOB (b) (6)). Am I assuming correctly that you retained both of those people as clients?
3. "David Ben" is listed once on the first page, and again on the second page. I only have a record of there being one claim from someone named David Ben. Are there two David Bens, or is that an error?
4. Same question for with Anita Hayes – appears once on the first page, again on the third page.
5. The list has "Margaret Harrison and Sherrell Mesa" once on the first page, and then "Margaret Harrison" by herself, and "Sherrell Mesa" by herself on the third page. I only have a record of there being one claim filed jointly for Margaret Harrison and Sherrell Mesa. Please verify that they did not file a joint claim as well as separate claims.
6. The list has "Mary Jay" and "Eddie Jay" listed as separate clients. We received one joint claim for "Mary and Eddie Jay" for property located at (b) (6), and another separate claim for just "Mary Jay" located at the same property. (They are apparently the same Mary with the same DOB.) They were each signed by the attorney on different days. One was received electronically and the other by snail mail. We have so far been treating these as two separate claims. We'd appreciate some clarification on this. (I've attached the claim forms so you can see what I'm talking about.)
7. The list has Cecilia Wallace (page 4) and Esther RedDoor (page 4) listed as separate clients. We received only one joint claim on behalf of both of them. Please verify they did not submit separate claims.
8. Estates: Am I correct in assuming the following?
  - "Leon Jones" is the Estate of Leon Jones?
  - "Rose Merrit" is the Estate of Rose Merritt?
9. By my count, the following are clients that are not currently represented by your firm. Please verify:
  - Franklin D. Azar & Assoc., P.C. (Estate of Wayne Saltwater)
  - Franklin D. Azar & Assoc., P.C. (Simpson, Roger)
